

BDT Mission, Vision, Politics, Ethics

Mission, Vision, Politics, Ethics

1.1 Mission

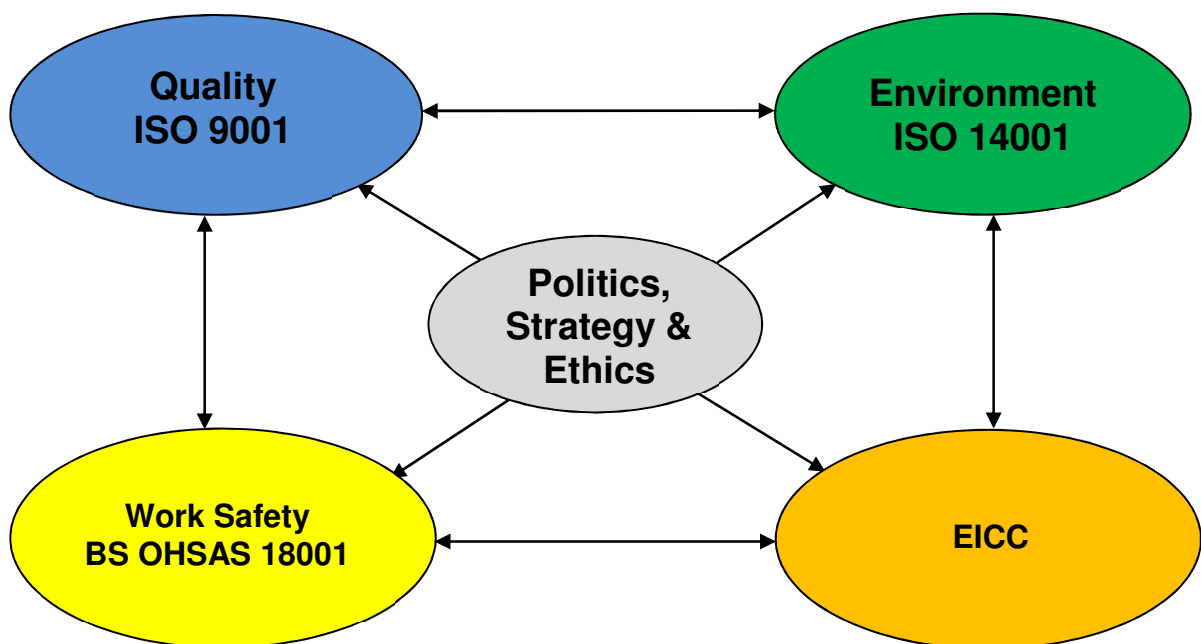

“We create sustainable value for our customers by delivering innovative products and solutions. For our employees we provide an attractive and stable work environment.”

1.2 Vision

„We are the preferred partner for our customers, suppliers and employees“

1.3 Policy

Within BDT there are different policies established in regards to Quality, Environment and Work Safety. Regarding labor and business ethics it is based on the Electronic Industry Code of Conduct.

Code of Conduct

Foreword

Even though BDT is not a full member of the EICC (Electronic Industry Citizenship Coalition), BDT is registered as a user of their services through the EICC-ON program. BDT has also decided to adopt the EICC Code of Conduct at its own. This code is available in several languages.
